CRYSTAL
TECHNOLOGIES LIMITED

COMPANY PROFILE
END-TO-END ICT SOLUTIONS PROVIDER

Your Premium I.T. Partner.

Welcome To
CRYSTAL TECHNOLOGIES LIMITED

Crystal Tech was started back in 2012. We recognized the wide gap in the ICT industry and sought to fill it with our custom solutions designed to meet our clients' needs. Since our inception, our goal has been to provide top-notch ICT solutions that help clients achieve their business objectives. We have worked for Big brands and governments institutions you may know such as Somalia Stability Fund, Somalia embassy, Kenyatta University, Huduma Centre, among many others. Our quality solutions have earned us praise and recognition from many of our clients who are satisfied with our work. We've remained steadfast in our quest to offer the perfect-fit solutions for all our clients' infrastructure.

ABOUT
Our Company

We are a leading Information and Communication Technology (ICT) Company. We provide a complete suite of end-to-end IT and Communications solutions that allow Businesses and organizations to improve operational efficiency, enable innovation, mitigate risk and reduce expenditures.

We design, develop, and support business applications using the latest technology and standards. We have built a state-of-the-art platform of technology assets, engineering talent and strategic partnerships to deliver world class services to our customers.

In addition to configuring and deploying cutting-edge technology solutions, we also use the same platform to fuse the right Security, disaster discovery and management portfolio around your Business. With Crystal Technologies you are assured that your mission critical data is up and running at all times, protected and compliant.
